Future Smart™ Wooden Cutlery **Huhtamaki**

Wooden Cutlery

Future Smart™

Features and Benefits

- Future Smart™ Wooden cutlery
- Made from renewable resources
- Sturdy and handy
- Made with wood from FSC certified sustainably managed forests
- Huhtamaki range includes a selection of premium coated cutlery options for further improved eating experience
- Cutlery sets are wrapped with paper eliminating the need for plastic packaging

Future Smart™

The Future Smart™ range of packaging products is made of fully renewable plant-based materials and is a perfect option for you to renew your takeaway beverage and food packaging.
